Re: Notice of Intent to Sue Under Section 505
of the Clean Water Act, 33 U.S.C. § 1365

Dear Mr. Welch:

This firm has been retained to represent Kenneth J. Lewis and Scott H. and Susanne L. Morgan in matters arising out of pollution of waters of the United States by land-disturbing activities in connection with Harrison Poultry Inc.'s development of a property located on Smith Mill Road (Old Georgia Hwy. 324) in Barrow County, Georgia (hereafter "the Smith Mill Road Property"). The purpose of this letter is to inform you that Mr. Lewis and the Morgans intend to bring a citizen suit 60 days from the date of this letter under section 505 of the federal Clean Water Act ("CWA") and the Georgia Water Quality Control Act ("GWQCA") against you and Harrison Poultry, Inc. ("Harrison Poultry") for polluted storm water discharges from land-disturbing activities on the Smith Mill Road Property that cause, or contribute to, violations of the CWA and the GWQCA. The suit will seek injunctive relief, civil penalties, attorneys' fees and expenses of litigation, for violations of the CWA and the GWQCA by such discharges.

As you may be aware, Mr. Lewis and the Morgans are property owners who reside directly adjacent to the Smith Mill Road Property on which Harrison Poultry apparently intends to construct a land application system for the discharge of poultry waste from Harrison Poultry's facility located on Georgia Highway 11 and Smith Mill Road. The properties of Mr. Lewis and the Morgans are impacted by Harrison Poultry's land-disturbing activities and Mr. Lewis and the Morgans are concerned about the impact of such activities on their property and on the water quality of Marburg Creek which they utilize for fishing and recreation.

Mr. Michael A. Welch
